

# Come Grow with Us!

## UCCE Master Gardener Training Class 2022

### Learn It!

- Attend the initial 15-week training series
- Attend regular continuing education classes
- Attend monthly general meetings

### Grow It!

- Get your hands dirty by volunteering in the Demonstration Gardens
- Propagate plants for the annual plant sale

### Teach It!

- Educate residents at farmers markets, workshops and events
- Volunteer at the Master Gardener help desk
- Lead or assist with public education classes

*Do you enjoy getting your hands dirty? Do you enjoy sharing your knowledge? Do you want to meet new people who share your gardening passion? Then you may be the ideal candidate to become a UCCE Master Gardener. You will be trained by the University of California Cooperative Extension in science-based horticulture and then volunteer to teach others on sustainable gardening practices.*

### **15-Week Master Gardener Volunteer Training**

**Topics include:** botany, soil, plant pathology, home orchards, entomology, water, pests, landscape trees, composting, plant identification, propagation, and so much more! Classes will take place in Amador and El Dorado Counties.

### **Amador and El Dorado County Training begins January 2022**

**Want to learn more?** We will host orientation meetings so you can learn about the UCCE Master Gardener Program, our community involvement, your participation requirements, and the training expectations. All applicants must attend one of the orientation meetings in their county.

**More Information:** See our website: <http://ucanr.edu/becomeamastergardener>

Add your name to our interest list to receive communications about orientation meetings by giving us your name and email address: [http://ucanr.edu/be\\_mg](http://ucanr.edu/be_mg)
